

Physics 221A
Fall 2016
Homework 1
Due Friday, September 2, 2016

Reading Assignment: Notes 1, pp. 1–18. Although I am posting all of Notes 1, the lecture on Thursday only covered the first 18 pages. Supplementary reading: Commins, Ch. 1.

Note: See the web site for homework policy. In the following, Problem 1.1, for example, refers to Problem 1 at the end of Notes 1.

Please do Problems 1.1, 1.2, 1.3 and 1.4.
