Physics 221A
Fall 2010
Homework 1
Due Friday, September 3, 2010

Reading Assignment: Sakurai, pp. 1–23, Notes 1, pp. 1–13. Although I am posting all of Notes 1, the lecture on Friday only covered the first 13 pages. I may revise pages 14 to the end after lectures next week.

Note: This homework is due at 5pm on Friday, September 3. Homework is to be turned in to the 221A box in the reading room, 251 LeConte. See the web site for homework policy. In the following, Problem 1.1, for example, refers to Problem 1 at the end of Notes 1.

Please do Problems 1.1, 1.2 and 1.3.
